A LETTER FROM THE TREASURER

Dear Friends:

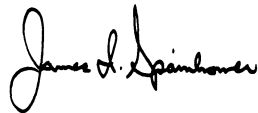

One of the ways the State Treasurer can be helpful is to call to the attention of the executive branch ways to save money in state government. This is frequently the situation since this office deals daily with the financial transactions of the state government.

Last month I advised Governor Bond and the other members of the State Board of Fund Commissioners of the existence of an additional \$1.8 million in the state's treasury. It is money earned in interest on the investment of Missouri's Second State Building Bond Interest and Sinking Fund and the Water Pollution Control Bond and Interest Fund.

In a letter to the Governor, I urged that the budget recommendation for the transfer of more than \$7.6 million from General Revenue into these funds be reduced by the \$1.8 million already in their accounts. Since that time the Board of Fund Commissioners has agreed to my recommendation. This leaves \$1.8 million which can be used elsewhere by the state.

In his budget recommendations to the Legislature, the Governor had requested the transfer from General Revenue of \$4,426,862 into the Second State Building Bond Interest and Sinking Fund and \$3,240,358 into the Water Pollution Control Bond and Interest Fund. The state is required to appropriate annually money from General Revenue for the retirement of bond obligations from both of these funds. Until the money is actually used my office invests at interest the amount in the fund. These investments have earned since 1965 — the last time the interest was used to reduce the transfer from General Revenue — the more than \$1.8 million.

Sincerely,

A handwritten signature in dark ink, reading "James I. Spainhower". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

James I. Spainhower
State Treasurer
